We're reaching out for a caring conversation

It's your health. Let's connect on it.

A compassionate UnitedHealthcare nurse or advocate may be reaching out to offer extra support. They may be trying to contact you to help schedule appointments, enroll you in complimentary programs, help fill prescriptions and answer your questions.

We may be connecting with those who are:

Recovering from a hospital stay

We'll confirm that you've received and understand your after-care instructions, medications, etc.

Managing a condition

We'll reach out to provide caring assistance to those with cancer, asthma, diabetes, heart failure, kidney issues and more.

Expecting a baby

If pregnant, an experienced maternity nurse may call to provide support.
